Cobra® Plier - Spring Hose Clamp

- For mounting spring hose clamps up to 70mm nominal size
- Can be used for standard, space saving and wire clamps for spring and band clamps
- Maximum jaw opening 80mm; over 40mm clamping range
- Quick-set adjustment; adjusts by shifting directly onto the workpiece, at the touch of a button
- Rotatable, universal grip inserts for reliably gripping the clamps in all positions
- Extremely good leverage which allows clamp to be opened easily
- Slim head width great for confined areas
- Made in Germany

FAMOUS TOLEDO

Measuring Tapes Steel Wide Blade

- Toledo tape measures are designed for heavy duty use
- Stainless steel shell and nylon coated blade for maximum strength and impact resistance
- Durable rubber casing protects against shock impact and provides maximum comfort and grip

TOLEDO

Impact Driver Set Professional

- Converts hammer impact to powerful torque ideal for loosening screws, nuts and bolts
- Complete with a metal storage case
- Manufactured from chrome-moly steel, heat-treated and chrome plated
- Includes impact driver and 4 bits (PH2 & PH3, SL9, SL11)

FAMOUS
TOLEDO

Feeler Gauge Straight 38 Blade Metric/SAE

- 35 stainless steel blades and 3 brass blades (electronic ignition timing)
- Straight blade design
- Metric and SAE sizing
- Size range: 0.038mm (0.0015") – 0.889mm (0.035")

FAMOUS
TOLEDO

Feeler Gauge Cranked 26 Blade Metric/SAE

- 26 cranked (45°) stainless steel blades
- Cranked blade design, ideal for access in restricted applications
- Metric and SAE sizing on each blade
- Size range: 0.127mm (0.005")–0.762mm (0.030")

FAMOUS
TOLEDO

Retrieval Tools Broom Style Telescope

- Designed as a heavy duty option for retrieving ferrous material from workshop floors and surrounding areas
- Broom style with telescopic handle is simple, efficient and easy to use
- Featuring strong magnet capacity 9kg
- Features quick release function and in-built wheels to provide an easy way of manoeuvring the unit around the workshop or factory floor

Part No. 301189

\$72.95 inc GST

FAMOUS
TOLEDO

Nut Driver Set

- For use on small nuts or bolts where quick installation or removal is required
- Features ergonomic plastic handles with slip resistant inserts to allow greater torque
- Manufactured from chrome vanadium steel with chrome plated finish

Polarity Circuit Tester

- No earth wire or clip required
- Detects from 6-28 Volts
- Liquid crystal display shows polarity
- Cap with pocket clip makes carrying and storing safe and convenient
- Safe with ECM's, sensors, airbags and transducers etc

Part No. 302148

\$7.50

INC GST

FAMOUS
TOLEDO

Circuit Tester Metal Body

- Metal body circuit testing tool
- Light for testing low voltage DC electrical circuits
- Steel body construction
- Ideal for use in DIY automotive applications
- Voltage: 4-24V

Part No. 302154

\$13.95

INC GST

FAMOUS
TOLEDO

Memory Retainer Power Supply

- Maintains the memory of vehicle radios, clocks and computer functions when battery is disconnected
- Use with a 9 volt battery and plug into cigarette lighter
- Retains settings for up to four hours

FAMOUS
TOLEDO

Cooling System Tester Truck - Tapered Adaptor

- Supplied with four expanding taper adaptors to suit larger radiators in trucks, off road machinery and plant equipment
- Suitable for Japanese, European and American style radiators
- The gauge is colour coded and the pump is constructed from Polyoxymethylene (POM), a high impact substance stronger than steel, yet able to withstand the corrosive factors of inhibitors ensuring a long service life
- Operator manual included
- Range 17 - 60mm

Part No. 308380

\$279.95

INC GST

FAMOUS
TOLEDO

Engine Hanger Support

- Rigid box steel construction supports engine during vehicle mechanical repairs
- Heavy duty rubber support feet provide anti-slip stability while protecting vehicle engine bay gutter channels from damage to paintwork or denting
- Adjustable width range: 520-1500mm
- Holding weight capacity: 450kg (1000lbs)

Part No. 302160

\$9.95

INC GST

FAMOUS
TOLEDO

Spark Plug Boot Pliers

- Prevents high voltage shocks when removing plug boots
- Offset jaws (45°) for easy gripping of wires and boots
- Also suitable for light bulb removal
- Manufactured from hardened and tempered forged alloy steel for strength and durability
- Jaw opening: 15-25mm
- Overall length: 210mm

FAMOUS
TOLEDO

Pulley Remover Water Pump (VAG Group)

- Uniquely designed to lock deep-drawn water pump pulleys on VW and Audi engines with air conditioning
- Safely locking the water pump pulley allows quick and easy removal of pulley bolts
- Manufactured from drop forged chrome vanadium steel with hard wearing rubber grip

Part No. 304013

\$27.50

INC GST

FAMOUS
TOLEDO

Compression Tester Kit Petrol Quad Calibrated

- For diagnosis of compression related problems on petrol engines
- Suitable for automotive and small engine repairs
- Set contains a pressure gauge and various extensions, thread chasers and universal adaptors
- Gauge is quad calibrated: 0-300 PSI, 0-21kg/cm², 0-21 Bar, 0-2100kPa
- User manual included

Sykes-Pickavant.

Electrical Fault Finder Kit

- Tracks short and open circuits quicker and easier
- This kit allows you to trace troublesome circuits and locate faults, even when the wires are inside conduits, harnesses or behind panels and upholstery**
- This professional tool will work on all kinds of circuits with voltages between 6 and 42 volt DC, such as those found in cars, HGV'S, buses, trailers, tractors, boats etc.
- 42V Ready for use in the new generation of vehicles with mixed or single 42 volt systems
- Internally protected against power surges and overloads

**UNIVERSAL
KIT**

Part No. 314600
\$1095.00 INC GST

Sykes-Pickavant.

CRD Combined Kit

- Designed for use on the injector return side and pressure test kit for the Low Pressure side of a CRD system. Consist of 314620 CRD Fuel Return Flow Kit & 314610 CRD Low Pressure Test Gauge Kit
- Measures low pressure feed from the fuel pump in the fuel tank to the highest pressure pump
- Also measures fuel return pressure where necessary
- Helps to diagnose poor or no engine starting, poor engine running, poor acceleration, general lack of engine power, blocked filters, blocked fuel lines
- Compact acrylic block design provides easy to read cylinder comparison
- Fuel resistant, highly flexible rubber hoses
- Replacement adaptor sets readily available

Part No. 127311
\$74.50 INC GST

**STRONG
&
ROBUST**

Sykes-Pickavant.

Hydraulic Puller Converter

- Converts 1500 series hydraulic rams to mechanical, using forcing screw and shock handle**
- In addition the impact shock handle to screw has a sliding centre spindle which allows the operator to strile the end when fully loaded. This assists the release of stubborn joints or taper fits
- Forcing screw 1.5" x 16 BSW 285mm

Part No. 024600
\$119.95 INC GST

Sykes-Pickavant.

Pipe Bender

- This tool has a unique rolling action, essential when forming plastic or epoxy-coated brake and clutch pipe
- Bends of up to 180° can be without abrasion of the coating on 4.75mm and 6mm pipe
- Vice lug on handle

Part No. 314650
\$1395.00 INC GST

Sykes-Pickavant.

CRD High Pressure Test Kit

- Specially designed to allow direct management of the delivery process of the high pressure pump, under engine cranking conditions**
- Measures delivery pressure output from the CRD High Pressure pump (max 1700 bar) under engine cranking conditions
- Measures common rail pressure via the vehicles electronic pressure sensor with the engine running
- Connects to all common CRD systems via the pipes and adaptors supplied M12 x 1.5 / M14 x 1.5 connections
- Fault diagnosis is possible using a combination of high pressure pump pressure via the HP Gauge assembly, HP Sensor pressure readings via the Electronic HP Sensor tester, ECU Pressure readings via a code reader / scan tool

Part No. 314500
\$1695.00 INC GST

Sykes-Pickavant.

DITA Diesel Injector Tester & Aspirator

- A mechanical pressure tester and aspirator for checking the correct operation of diesel injectors. Tests nozzle opening pressure, injector spray pattern, correct needle seating
- The large, easy to read dual scale gauge is mechanically dampened to prevent over-pressurisation
- Built in aspirator removes potentially dangerous mist away from the operator, allowing visual inspection of the injector spray pattern against the mirrored disc
- Complete with 12mm and 14mm quick-fit injector adaptors

**PRACTICAL &
